Thanks Mike! I haven't had a chance to look at this. I'm just now going back through email I didn't get through earlier this week but I wanted to thank you for sending it to me.

Have a great weekend,

Attached are the Corps-specific appendix, navigation evaluations, and permit process description for the DEIS. I'll send as an aconex package as well, but wanted to get this to you as early as possible.

There are several refinements in the works, including the 408 section in the appendix, which we'll have to you shortly.

Thanks,

Mike
